STAY COOL

STAYING HYDRATED

It's obvious that dogs must always have a supply of water available to them to keep hydrated, but are you ever worried your dog isn't drinking enough?

Not getting enough liquids on a hot day can be dangerous for our pets, here are a few ways to keep them hydrated when they're away from the water bowl.

ATTRACTING BIRDS INTO YOUR GARDEN

Providing a constant source of fresh water in the garden with a bird bath is by far the best way to encourage birds into your garden.

Place some pebbles in the base to give birds somewhere to stand and a stick leaning against the edge to provide a safety ramp out of the water. If they feel safe, they will be happy to hang around.

Here are a few more ways you can attract birds to your garden.
